

RURAL HEALTH CLINIC SURVEY REPORT

Form Approved
OMB No. 0938-0074

§ 481.2 Definitions.

As used in this subpart, unless the context indicates otherwise:

- (a) “*Direct services*” means services provided by the clinic’s staff.
- (b) “*Nurse practitioner*” means a registered professional nurse who is currently licensed to practice in the State, who meets the State’s requirements governing the qualifications of nurse practitioners, and who meets one of the following conditions:
 - (1) Is currently certified as a primary care Nurse Practitioner by the American Nurses’ Association or by the National Board of Pediatric Nurse Practitioners and Associates; or
 - (2) Has satisfactorily completed a formal 1 academic year educational program that:
 - (i) prepares registered nurses to perform an expanded role in the delivery of primary care;
 - (ii) includes at least 4 months (in the aggregate) of classroom instruction and a component of supervised clinical practice; and
 - (iii) awards a degree, diploma, or certificate to persons who successfully complete the program; or
- (c) “*Physician*” means a doctor of medicine or osteopathy legally authorized to practice medicine or surgery in the State.
 - (d) “*Physician assistant*” means a person who meets the applicable State requirements governing the qualifications for assistants to primary care physicians, and who meets at least one of the following conditions:
 - (1) Is currently certified by the National Commission on Certification on Physician Assistants to assist primary care physicians; or
 - (2) Has satisfactorily completed a program for preparing physician’s assistants that:
 - (i) was at least 1 academic year in length;
 - (ii) consisted of supervised clinical practice and at least 4 months in the aggregate of classroom instruction directed toward preparing students to deliver health care; and
 - (iii) is accredited by the American Medical Association’s Committee on Allied Health Education and Accreditation; or
 - (3) Has satisfactorily completed a formal educational program for preparing physician assistants that does not meet the requirements of paragraph (d)(2) of this section, and
 - (i) has been assisting primary care physicians for a 12-month period in the 18 month period immediately preceding the effective date of this subpart.
- (e) “*Rural area*” means an area that is not delineated as an urbanized area by the Bureau of the Census.
- (f) “*Rural health clinic*” or “*clinic*” means a clinic that is located in a rural area designated as a shortage area, is not a rehabilitation agency or a facility primarily for the care and treatment of mental diseases, and meets all other requirements of this subpart.
- (g) “*Shortage area*” means a defined geographic area designated by the Department as having either a shortage of personal health services (under section 1302(7) of the Public Health Service Act) or a shortage of primary medical care manpower (under section 332 of that Act).
- (h) “*Secretary*” means the Secretary of Health and Human Services, or any official to whom he has delegated the pertinent authority.

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0938-0074. The time required to complete this information collection is estimated to average 1.5 hours per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have any comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: CMS, 7500 Security Boulevard, N2-14-26, Baltimore, Maryland 21244-1850.

CODE	YES	NO	N/A		EXPLANATORY STATEMENTS
J10				<input type="checkbox"/> MET <input type="checkbox"/> NOT MET (b) Does the facility meet location eligibility in a rural health shortage area through either of the following exceptions.	
J11				(1) A facility certified under this subpart will not be disqualified if the area in which it is located subsequently fails to meet the definition of rural, shortage area. (2) A private, nonprofit facility that meets all other conditions of this subpart except for location in a shortage area will be certified if, on July 1, 1977, it was operating in a rural area that is determined by the Secretary (on the basis of the ratio of primary care physicians to the general population) to have an insufficient supply of physicians to meet the needs of the area served. Determinations on these exceptions will be made by the Secretary upon application by the facility.	
J12				<input type="checkbox"/> MET <input type="checkbox"/> NOT MET (c) The facility meets rural area requirements under one of the following criteria.	
J13				(1) Rural areas are areas not delineated as urbanized areas in the last census conducted by the Census Bureau.	
J14				(2) Included in the rural area classification are those portions of extended cities that the Census Bureau has determined to be rural.	
J15
