TOPIC: HARM REDUCTION

WHEN: FEBRUARY 25, 2022

TIME: 11:30 AM TO 12:00 PM CT

Use of methamphetamine impacts people across the Midwest in many ways. Join the HHS Region 7 Harm Reduction Workgroup for a series of brief, 30-minute webinars to explore strategies to address meth use, ranging from prevention to treatment and recovery. Our third webinar will focus on harm reduction, including discussions on SAMHSA initiatives, coalition building to address public perception, and current stimulant-focused harm reduction efforts.

Hosted by the HHS Region 7 Harm Reduction Workgroup: the Office of the Assistant Secretary for Health (OASH), Substance Abuse and Mental Health Services Administration (SAMHSA), Centers for Medicare and Medicaid Services (CMS), Health Resources and Services Administration (HRSA), Administration for Children and Families (ACF), Intergovernmental and External Affairs (IEA), Administration on Community Living (ACL), and the Office of the Assistant Secretary for Preparedness and Response (ASPR)
